## Independent Auditor's Report

Board of Directors  
Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Fort Worth, Texas

### ***Report on the Financial Statements***

We have audited the accompanying consolidated financial statements of Communities In Schools of Greater Tarrant County, Inc. and Affiliate, which comprise the consolidated statement of financial position as of August 31, 2020, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. The financial statements of the Mike Steele Foundation for Communities in Schools, which are included in the entity's consolidated financial statements, were not audited in accordance with *Government Auditing Standards*.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Communities In Schools of Greater Tarrant County, Inc. and Affiliate as of August 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Emphasis of Matter**

As described in *Note 2* to the financial statements, on September 1, 2019, Communities In Schools of Greater Tarrant County, Inc. and Affiliate adopted Accounting Standards Update 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope of the Accounting Guidance for Contributions Received and Contributions Made*, and Accounting Standards Update 2014-09, *Revenue from Contracts with Customers (Topic 606)*. Our opinion is not modified with respect to this matter.

### **Consolidating Information**

Our audit was performed for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidated information is presented for purposes of additional analysis rather than to present the financial position, change in net assets and cash flows of the individual entities and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

### **Other Matters**

#### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information including the consolidating schedules and the schedule of expenditures of state awards required by State of Texas *Uniform Grant Management Standards*, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements

themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we also have issued our report dated January 13, 2021, on our consideration of Communities In Schools of Greater Tarrant County, Inc. and Affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Communities In Schools of Greater Tarrant County, Inc. and Affiliate's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Communities In Schools of Greater Tarrant County, Inc. and Affiliate's internal control over financial reporting and compliance.

**Note 1: Summary of Activities and Significant Accounting Policies**

***Nature of Operations***

Communities In Schools of Greater Tarrant County, Inc. and Affiliates (Agency) is a non-profit organization which provides services to at-risk students and their parents to prevent school drop out in the Tarrant County, Texas area. Funding is provided through federal and state grants, contracts with independent school districts, United Way allocations, and private contributions.

The Mike Steele Foundation for Communities In Schools (Foundation) was established in 2008 as a permanent fund whose primary goal is for the benefit of the Agency both today and in the future. The Foundation's Directors are appointed by the Board of Directors of the Agency.

***Basis of Presentation***

The Agency's and the Foundation's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***Consolidated Financial Statements***

The accompanying consolidated financial statements include the accounts of the Agency and the accounts of the Foundation. Significant inter-organizational transactions and balances have been eliminated.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

***Cash Equivalents***

The Agency considers all liquid investments with original maturities of three months or less to be cash equivalents. Uninvested cash and cash equivalents held in investment accounts, including endowment accounts, are not considered to be cash or cash equivalents. At August 31, 2020, cash equivalents consist primarily of money market accounts.

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

At August 31, 2020, the Agency's cash accounts exceeded federally insured limits by approximately \$1,500,000.

***Restricted Cash***

Amounts included in restricted cash on the statement of financial position represent those amounts that have been restricted by donors for the Foundation's endowment. The restriction will lapse when those amounts have been appropriated for expenditure in accordance with the Foundation's spending policy.

***Contributions Receivable***

Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are not included as support until the conditions are substantially met. Based upon collection history and specific information known to management, no allowance for doubtful accounts is considered necessary.

***Investments and Net Investment Return***

Investments in equity securities having a readily determinable fair value and all debt securities are carried at fair value. Investment return includes dividend, interest and other investment income; and realized and unrealized gains and losses on investments carried at fair value.

Investment return includes dividend, interest and other investment income; realized and unrealized gains and losses on investments carried at fair value, less external investment expenses. Gains and losses on the sale of securities are recorded on the trade date and are determined using the specific identification method.

Investment return that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in net assets without donor restrictions. Other investment return is reflected in the statement of activities with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

***Property and Equipment***

The Agency capitalizes all expenditures in excess of \$5,000 for property and equipment. Depreciation is charged to expense using the straight-line method over the estimated useful life of each asset. Leasehold improvements are amortized over the shorter of the lease term or respective estimated useful lives.

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

The estimated useful lives for each major depreciable classification of property and equipment are as follows:

Furniture and fixtures	5 years
Machinery and equipment	5 years
Leasehold improvements	7.5 years

***Long-lived Asset Impairment***

The Agency evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted estimated future cash flows expected to result from the use and eventual disposition of the asset is less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized as the amount by which the carrying amount of a long-lived asset exceeds its fair value.

No asset impairment was recognized during the year ended August 31, 2020.

***Deferred Rent***

The Agency entered into a lease agreement with a term from May 1, 2019 to September 30, 2026. The lease agreement incorporated rent holidays, escalating rent payments, and tenant improvements allowances. The Agency accounts for rent expense on a straight-line basis over the term of the lease. The difference between rent expense and the amount paid in cash is accounted for as deferred rent.

***Deferred Revenue***

Deferred revenue represents amounts received for a fundraising event to be held in fiscal year 2020-2021.

***Net Assets***

Net assets, revenues, gains and losses are classified based on the existence or absence of donor restrictions.

Net assets without donor restrictions are available for use in general operations and not subject to donor restrictions.

Net assets with donor restrictions are subject to donor restrictions. Some restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

**Contract Revenue**

Contract revenue is recognized over the term of the semester as the Agency provides services to schools. Revenue is reported at the amount of consideration which the Agency expects to be entitled in exchange for providing services. The Agency determines the transaction price based on standard charges for services provided.

**Government Grants**

Support funded by grants is recognized as the Agency meets the conditions prescribed by the grant agreement, performs the contracted services or incurs outlays eligible for reimbursement under the grant agreements. Grant activities and outlays are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required.

**Contributions**

Contributions are provided to the Agency and Foundation either with or without restrictions placed on the gift by the donor. Revenues and net assets are separately reported to reflect the nature of those gifts – with or without donor restrictions. The value recorded for each contribution is recognized as follows:

<b>Nature of the Gift</b>	<b>Value Recognized</b>
<i>Conditional gifts, with or without restriction</i>	
Gifts that depend on the Agency or Foundation overcoming a donor imposed barrier to be entitled to the funds	Not recognized until the gift becomes unconditional, <i>i.e.</i> the donor imposed barrier is met
<i>Unconditional gifts, with or without restriction</i>	
Received at date of gift – cash and other assets	Fair value
Received at date of gift – property, equipment and long-lived assets	Estimated fair value
Expected to be collected within one year	Net realizable value
Collected in future years	Initially reported at fair value determined using the discounted present value of estimated future cash flows technique

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

In addition to the amount initially recognized, revenue for unconditional gifts to be collected in future years is also recognized each year as the present-value discount is amortized using the level-yield method.

When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Absent explicit donor stipulations for the period of time that long-lived assets must be held, expirations of restrictions for gifts of land, buildings, equipment and other long-lived assets are reported when those assets are placed in service.

Gifts and investment income having donor stipulations which are satisfied in the period the gift is received are recorded as revenue and net assets without donor restrictions.

Conditional contributions having donor stipulations which are satisfied in the period the gift is received are recorded as revenue and net assets without donor restrictions.

***Donated Facilities and Services***

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance nonfinancial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated. Contributions of services also include services received from personnel of an affiliate. No amounts have been reflected in the statements for volunteer services because the preceding criteria has not been met; however, a substantial number of volunteers have donated significant amounts of their time in the Agency's program delivery efforts.

The Agency receives donated office space (month-to-month) at each school campus where it has programs. During 2020, the estimated market rental of approximately \$255,000 has been included in the accompanying financial statements as contributions and related occupancy expense.

***Income Taxes***

The Agency and the Foundation are exempt from income taxes under Section 501 of the Internal Revenue Code and a similar provision of state law. However, the Agency and Foundation are subject to federal income tax on any unrelated business taxable income.

The Organization files tax returns in the U.S. federal jurisdiction.

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

***Functional Allocation of Expenses***

The costs of supporting the various programs and other activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Certain costs have been allocated among the program, management and general and fundraising categories based on specific identification of costs and approximate percentage of time expended.

**Note 2: Change in Accounting Principle**

On September 1, 2019, the Agency adopted the Financial Accounting Standards Board Accounting Standards Update 2014-09, *Revenue from Contracts with Customers (Topic 606)*, (ASU 2014-09) using a modified retrospective method of adoption to all contracts not completed at September 1, 2019.

The core guidance in ASU 2014-09 is to recognize revenue to depict the transfer of promised goods or services to customers in amounts that reflect the consideration to which the Agency and Foundation expect to be entitled in exchange for those goods or services.

The amount to which the Agency and Foundation expect to be entitled is calculated as the transaction price and recorded as revenue in exchange for providing goods or services.

There were no changes to amounts that would have been recorded in revenue in 2019.

Adoption of ASU 2014-09 resulted in changes in presentation of financial statements and related disclosures in the notes to the financial statements.

On September 1, 2019, the Agency adopted the Financial Accounting Standards Board Accounting Standards Update 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, (ASU 2018-08) using a modified prospective basis.

ASU 2018-08 clarifies the guidance on determining whether a transaction with a resource provider is a contribution or an exchange transaction. If the transaction is determined to be a contribution, ASU 2018-08 clarifies the guidance regarding recognition of the contribution as conditional or unconditional. A contribution is considered conditional if the donor indicates that a measurable barrier must be met and includes a right of return or release of obligation. Conditional contributions are not recorded until one of these criteria is overcome. The standard provides an option to allow a not-for-profit to (1) elect a separate policy for donor-restricted contributions that were initially conditional contributions without also having to elect the policy for other donor-restricted contributions or (2) follow the same policy for all donor-restricted contributions. The Agency and Foundation election is disclosed in *Note 1*.

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

In accordance with the ASU, the Agency has determined that one grant that was previously unrecognized should now be recognized in the financial statements. Under the prior guidance, it was deemed to be conditional. Therefore, the portion of the grant that had not been recognized, totaling \$95,833 is now reflected in the statement of financial position and the statement of activities as an increase in net assets with donor restrictions.

On September 1, 2019, the Agency and Foundation adopted Accounting Standards Update 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*. The new accounting guidance in this standard requires balances generally described as restricted cash or cash equivalents to be included with cash and cash equivalents when reconciling beginning and ending cash and cash equivalents on the statement of cash flows.

The Agency did not have any restricted cash or cash equivalents as of September 1, 2019, therefore, there were no changes to the statement of cash flows. The Foundation had restricted cash or cash equivalents of \$3,617 as of September 1, 2019, therefore, cash and cash equivalents and restricted cash and restricted cash equivalents at the beginning of the year were reported at \$3,617 on the statement of cash flows. Restricted cash is not available for general expenditure until appropriated for expenditure by the board of directors.

**Note 3: Grant Reimbursements Receivable and Future Commitments**

The Agency receives its grant support through periodic claims filed with the respective funding sources, not to exceed a limit specified in the funding agreement. Since the consolidated financial statements of the Agency are prepared on the accrual basis, all earned portions of the grants not yet received as of August 31, 2020, have been recorded as receivables. Following are the grant commitments that extend beyond August 31, 2020:

Grant	Term	Grant Amount	Earned Through 2020	Funding Available
Lake Worth ISD Case Management	September 1, 2019 to August 31, 2020	\$218,000	\$109,000	\$109,000

**Note 7: Revenue from Contracts with Customers**

**Contract Revenue**

Revenue from contracts with schools for counseling services is reported at the amount that reflects the consideration to which the Agency expects to be entitled in exchange for providing educational and mental health counselors. Revenue is recognized over time as performance obligations are satisfied, which is ratably over the academic term. Generally, the Agency bills schools at the beginning of the semester with payments due in September and January. As payments are received, deferred revenue is recorded.

***Contract Balances***

All of the contracts with the schools are for the period of September 1 to August 31, which aligns with the Agency's fiscal year. Therefore, the Agency has no contracts that are unsatisfied or partially unsatisfied as of August 31, 2020. Accordingly, the Agency has no receivables, contract assets or contract liabilities from contracts with customers as of August 31, 2020.

***Transaction Price and Recognition***

The Agency determines the transaction price based upon standard charges for services provided. No discounts or price concessions are offered. All of the Agency's revenues are with school districts in the Tarrant County area to provide services to at-risk students and their parents to prevent school dropout. The Agency's revenues from these school districts are recognized over time using the output method as performance obligations are satisfied which it ratably over the school year.

The Agency has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the following factors:

- Revenue for future years could be affected by the schools' participation in the program

**Note 8: Fair Value of Assets and Liabilities**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

***Recurring Measurements***

The following table presents the fair value measurements of investments recognized in the statement of financial position measured at fair value on a recurring basis and the level within the standard's fair value hierarchy in which the fair value measurements fall at August 31, 2020.

	<b>Agency</b>

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value on a recurring basis and recognized in the accompanying statement of financial position, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended August 31, 2020.

***Investments***

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

**Note 10: Assets Restricted**

Restricted assets of the Foundation consist of money markets and mutual funds. The Foundation assets are managed by a board of directors which is appointed by the Agency's board. The Foundation's purpose is as a permanent fund whose primary goal is for the benefit of the Agency.

The Foundation's governing body is subject to the Uniform Prudent Management of Institutional Funds Act (UPMIFA). As a result, the Foundation classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the governing body appropriates such amounts for expenditures.

Additionally, in accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of the Foundation and the donor-restricted endowment fund
3. General economic conditions

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation or depreciation of investments
6. Other resources of the Foundation
7. The investment policies of the Foundation

The Foundation includes only donor restricted endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based upon the existence or absence of donor-imposed restrictions.

***Composition and Activity of Foundation Funds***

The composition of net assets by type of endowment fund at August 31, 2020 was:

	<b>Without Donor Restrictions</b>	<b>With Donor Restrictions</b>	<b>Total</b>
Donor-restricted endowment funds			
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ -	\$ 2,028,188	\$ 2,028,188
Accumulated investment gains	-	530,430	530,430
Total endowment funds	<u>\$ -</u>	<u>\$ 2,558,618</u>	<u>\$ 2,558,618</u>

Changes in the Foundation's net assets for the year ended August 31, 2020 were:

	<b>Without Donor Restrictions</b>	<b>With Donor Restrictions</b>	<b>Total</b>
Endowment net assets, beginning of year	\$ -	\$ 2,361,196	\$ 2,361,196
Dividends and interest, net of fees	-	48,247	48,247

Endowment net assets, end of year	<u>\$ -</u>	<u>\$ 2,558,618</u>	<u>\$ 2,558,618</u>

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements

***Return Objectives and Risk Parameters***

The investment of the assets will attempt to achieve a total return (income plus capital appreciation) necessary to at least preserve and, it is hoped, enhance (in real dollar terms) the capital, and at the same time provide a dependable source of income. Of these three goals, primary importance is the longer-term preservation of capital. Preservation of capital is defined as the maintenance of purchasing power (after inflation) of the assets. This implies a prudent approach to all investments.

The Foundation is secondarily concerned with achieving real growth in its assets and in the income generated by them. This again is a long-term goal which should not be pursued with undue risk.

Finally, the Foundation desires a minimum level of income that is both dependable as well as acceptable in light of market rates. The current income return requirements will vary from year to year. However, withdrawals from the fund will be planned in advance so income return requirements can be planned and executed based on maturities.

***Strategies Employed for Achieving Objectives***

In order to meet the stated objectives, the following guidelines are established:

<u>Asset Class</u>	<u>Minimum Allocation</u>	<u>Target Allocation</u>	<u>Maximum Allocation</u>
Cash equivalents	1%	2%	10%
Equity	30%	43%	60%
International	10%	20%	30%
Alternatives	0%	5%	15%
Fixed income	20%	30%	50%

***Investment and Spending Policy***

The annual spending rate shall be up to 5.0% of the rolling 20-quarter average of the portfolio's market value. This will align spending levels with the value of the portfolio, but will not result in the spending needs controlling the portfolio's asset allocation. Additionally, this level of spending should allow for long-term asset growth through the reinvestment of any appreciation that exceeds the spending rate.

Decisions regarding the size of the annual expenditure by the Foundation shall be made at the annual meeting of the Foundation board. Annual funding of the distribution should occur in one installment, typically made in October.

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

***Underwater Endowments***

The governing body of the Foundation has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Foundation considers a fund to be underwater if the fair value of the fund is less than the sum of

- a) the original value of initial and subsequent gift amounts donated to the fund and
- b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument.

The Foundation has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. At August 31, 2020, there were no funds considered to be underwater.

The Foundation has a policy that permits spending from underwater endowment funds depending on the degree to which the fund is underwater, unless otherwise precluded by donor stipulations or laws and regulations.

**Note 11: Liquidity and Availability**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of August 31, 2020 are comprised of the following:

Cash	\$ 1,723,048
Cash restricted	2,404
Contributions receivable	562,659
Investments	1,117,033
Investments restricted	<u>2,556,214</u>
Total Financial Assets	<u>5,961,358</u>
Less donor-imposed restrictions:	
Restricted funds	
Time restricted gifts	25,000
Endowment	<u>2,558,618</u>
	<u>2,583,618</u>
Financial assets available to meet general expenditures within one year	<u>\$ 3,377,740</u>

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

The Agency receives significant contributions restricted by donors and considers contributions restricted for programs which are ongoing, major and central to its annual operations to be available to meet cash needs for general expenditures. For the year-ended August 31, 2020, restricted contributions of \$1,315,659 were included in financial assets available to meet cash needs for general expenditures within one year.

The Agency’s endowment fund consists of donor-restricted endowment funds. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure until appropriated for expenditure by the board of directors.

The Agency manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged. In addition to financial assets available to meet general expenditures over the next twelve months, the Agency operates with a balanced budget and anticipates collecting sufficient revenues to cover general expenditures not covered by donor-restricted resources.

**Note 12: Lease Commitment**

The Agency leases office facilities under a non-cancelable operating lease having an original term in excess of one year.

Future minimum lease payments at August 31, 2020, are approximately:

2021	\$	125,000
2022		128,000
2023		128,000
2024		120,000
2025		131,000
Thereafter		<u>135,000</u>
	<u>\$</u>	<u>767,000</u>

During 2020, rental expense (exclusive of donated space) was approximately \$87,000.

Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

**Note 13: Significant Estimates and Concentrations**

Accounting principles generally accepted in the United States of America require disclosure of certain significant estimates and current vulnerabilities due to certain concentrations. Those matters include the following:

***Government Grants***

Approximately 22 percent of all public support was received from a government organization in 2020. These grants require fulfillment of certain conditions as set forth in the governing instruments. Failure to fulfill the conditions could result in the return of funds. In the opinion of management, the Agency is in compliance with the terms of the grants.

***Investments***

The Agency and Foundation invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying statements of financial position.

**Note 14: Retirement Plan**

The Agency has a defined contribution retirement plan available to all full-time employees, which allows a deferral up to the maximum amount allowed by law. The Agency initiated employer matches contributions of 50% on up to 6% of employee salaries, dependent upon employee contributions to the plan. Employer matching contributions vest over a five-year period. The Agency's matching contribution expense related to the defined contribution retirement plan totaled \$46,719 for the year ended August 31, 2020.

**Note 15: Subsequent Events**

Management evaluated subsequent events through January 13, 2021, which is the date the financial statements were available to be issued.

As a result of the spread of the SARS-CoV-2 virus and the incidence of COVID-19, economic uncertainties have arisen which may negatively affect the financial position, results of operations and cash flows of Agency and Foundation. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time

**Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Notes to Consolidated Financial Statements  
August 31, 2020**

**Note 16: Future Change in Accounting Principle**

***Accounting for Leases***

The Financial Accounting Standards Board amended its standard related to the accounting for leases. Under the new standard, lessees will now be required to recognize substantially all leases on the balance sheet as both a right-of-use asset and a liability. The standard has two types of leases for statement of activities recognition purposes: operating leases and finance leases. Operating leases will result in the recognition of a single lease expense on a straight-line basis over the lease term similar to the treatment for operating leases under existing standards. Finance leases will result in an accelerated expense similar to the accounting for capital leases under existing standards. The determination of lease classification as operating, or finance will be done in a manner similar to existing standards. The new standard also contains amended guidance regarding the identification of embedded leases in service contracts and the identification of lease and nonlease components in an arrangement. The new standard is effective for annual periods beginning after December 15, 2021, and any interim periods within annual reporting periods that begin after December 15, 2022. The Agency is evaluating the impact the standard will have on the financial statements; however, the standard is expected to have a material impact on the financial statements due to the recognition of additional assets and liabilities for operating leases.

**August 31, 2020**

1. The accompanying schedule of expenditures of state awards (Schedule) includes the state award activity of the Agency under programs of the state government for the year ended August 31, 2020. The information in this schedule is presented in accordance with the requirements of State of Texas *Uniform Grant Management Standards*. Because the Schedule presents only a selected portion of the operations of the Agency, it is not intended to and does not present the financial position, change in net assets, or cash flows of the Agency.
2. Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in State of Texas *Uniform Grant Management Standards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule, if any, represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Agency utilizes a 15% direct administrative cap as provided by the grant agreement.

## Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

### Independent Auditor's Report

Board of Directors  
Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Fort Worth, Texas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Communities In Schools of Greater Tarrant County, Inc. and Affiliate (the Agency), which comprise the statement of financial position as of August 31, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 13, 2021, which contained an emphasis of matter paragraph regarding a change in accounting principle. The financial statements of the Mike Steele Foundation for Communities in Schools, which are included in the Agency's consolidated financial statements, were not audited in accordance with *Government Auditing Standards*.

#### *Internal Control Over Financial Reporting*

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **Report on Compliance for the Major State Program and Report on Internal Control Over Compliance**

### **Independent Auditor's Report**

Board of Directors  
Communities In Schools of Greater  
Tarrant County, Inc. and Affiliate  
Fort Worth, Texas

#### **Report on Compliance for Each Major State Program**

We have audited Communities In Schools of Greater Tarrant County, Inc. and Affiliate's (the Agency) compliance with the types of compliance requirements described in State of Texas *Uniform Grant Management Standards* (UGMS) that could have a direct and material effect on the Agency's major state program for the year ended August 31, 2020. The Agency's major state program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### ***Management's Responsibility***

Management is responsible for compliance with state statutes, regulations and the terms and conditions of its state awards applicable to its state programs.

#### ***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for the Agency's major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the audit requirements of UGMS, issued by the Texas Comptroller of Public Accounts. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on its major state program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for its major state program. However, our audit does not provide a legal determination of the Agency's compliance.

***Opinion on the Major State Program***

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major state program for the year ended August 31, 2020.

**Report on Internal Control Over Compliance**

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Agency's internal control over compliance with the types of requirements that could have a direct and material effect on its major state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major state program and to test and report on internal control over compliance in accordance with the UGMS, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the UGMS. Accordingly, this report is not suitable for any other purpose.
